A large black rectangular redaction box covers the entire body of the email message, starting from the 'To:' field and extending to the bottom of the page.

Fellow American University Eagles,

In a few days we will have the opportunity to elect one of our very own students as our AUSG president.

I would like to take this time and let you know that Nate Bronstein is without a doubt the most qualified candidate for the position. He has the experience working in AUSG and he also has vision that will utilize the SG for the student population.

Nate Bronstein has been recently endorsed by current AUSG President Andy MacCracken and current Comptroller Alan Chang. This means a lot because these are individuals who actually have experience of what Nate would be doing if elected and believe that Nate Bronstein is the most qualified candidate out of the ones running.

It is without a doubt that Nate Bronstein deserves this chance to serve as our AUSG President. Remember to vote for him on March 23rd and March 24th on your my.american.edu portal!

Most sincerely,

A Fellow American University Eagle
